The Women with Vision Secret...

A group of 19 women just completed a four month Women with Vision Secret Workshop Part One. The participants feedback has encouraged us to take the Women with Vision Secret Workshops to other communities in the fall of 2007.

"The Women with Vision Secret Workshop has put me back on a path to spiritual enlightenment"

"Connecting with new people on an intimate scale has helped my confidence"

"Sharing with a group is very cleansing and empowering"

"You provided me with the tools to better understand my wants, needs and desires in life. Now I listen to myself and only positive thoughts guide me throughout my day and the changes have been amazing. Thank you. I look forward to taking the Women with Vision Secret Part Two."

"I learned that there are a lot of people connecting on this path. Everywhere I go people are talking about the secret. Excellent workshop and instructor."

"Can't wait to take Part Two of the Women with Vision Secret Workshop. Sign me up for July."

Lorraine,
I am so happy that I attended the Women with Vision Secret Workshop. The workshop far exceeded my expectations. Your instructor Karen is a gifted teacher who taught us how to attract and create what we desire most in our lives. The incredible life tools that I learned to use have already created the most amazing changes in my life. I wouldn't miss Part 2 for the world.

Grateful student, Shelly Paul

Dear Lorraine
The Women with Vision Secret workshop came into my life at the perfect time. In four months my world has completely changed. I have never been happier in my life. Thank you and to your instructor Karen for giving me a better understanding of the Secret.

E-Mails & Letters, Faxes

What a pleasant surprise to see the mention of our book project in Lt. Col. Tom Christianson's most informative article in your May/June 2007 issue. About 400 cenotaphs across Canada and beyond are poignant in their artistic design and compelling purpose of honouring our "glorious fallen". This photo of a massive bronze war memorial in France, is a caribou which traditionally represents Newfoundland Regiments. All Canadians can participate in helping to compile photos of War Memorials for this worthy endeavour.
