Hi Lorraine

Thank you so much for providing me with a copy of the article that I requested. I have to say that I really enjoy reading your magazine, and I keep all my back issues so that I can refer to some of the articles from time to time. There's a lot a really interesting and useful stuff in there. I let a friend of mine have a read also - but only on the condition that she return it to me!

Take care and keep up the good work.

Lorraine:

I read the May-June and July-August issues of Women with Vision Magazine. I read each one from back to front -that's how I always read my mags- and was very impressed by the content. The articles were not only informative, but very interesting and inspiring. Well done!! We need more of that in the world we live in. I look forward to your next issue, and next and next...

In closing, I would like to add that your ads are very well laid out and eye-catching. I am hoping to do business with you in the near future.

Kind regards,

*Ilona Armstrong
